REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: In accord with the Board decision of 3/30/2010, Examiner failed to find The methods of protecting animals of independent claim 12, which are limited to oil based carriers of specified viscosity applied to animals ,with pesticides & operating non-systemically . The prior art , while providing mixtures with lower & higher viscosity, failed to recognize advantages of the range of oil based carriers of S.U.S. viscosities of 100 to 1200 to provide protection against fleas, flies & other pests.

The claims drawn to compositions requiring light protection , and of the S.U.S. viscosities of 300 to 650 were also not evident in the prior art of record & so are now allowable .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
